

P11

[00:00]

Interviewer: Hi. Before we begin this interview, please read the following documents before deciding whether to take part in the study and take as much time as you need. Once you're ready, I would like to ask you to verbally confirm that you have read the following documents and consent to participate in this interview.

[00:16]

Participant X: Yes, I consent.

[00:17]

Interviewer: Thank you for consenting. So, for this interview, you will complete a small number of short tasks using AI system. And for each task, you will have a short conversation on the AI the interact with it as naturally as you normally would, and you'll complete this interview this interaction alone, without the help of me. Please click the link below to access the task list and interact with the AI chatbot. You may interact with the AI Chatbot for as long as you feel necessary, and once you're finished, let me know.

[00:39]

Interviewer: Once you're done, I will ask you a couple of questions about your interaction. There are no correct or incorrect answers and you're not being tested. For each task end the conversation by clearly stating your final decision or opinion. For example, I trust this advice. Or I don't trust this advice.

[01:01]

Interviewer: Please click the links given to access the task link. In the AI system, you can copy paste the given prompt statements and carry on with each task. If you have any questions, feel free to let me know. And once you've completed all five tasks, also let me know.

[01:22]

Participant X: I finished. Perfect.

[01:24]

Interviewer: I'll go ahead and ask you some questions regarding your interaction with AI. This interview will not take more than two minutes. It's a series of 12 questions. I'm going to give you a statement and I want you to tell me whether you strongly disagree, disagree, neutral, agree, or strongly agree with the statement given.

[01:40]

Participant X: Okay?

[01:41]

Interviewer: Okay. To begin, I found the AI Chatbot easy to interact with.

[01:45]

Participant X: Yes. I strongly agree.

[01:48]

Interviewer: I trust the information provided by the AI chatbot.

[01:50]

Participant X: I agree.

[01:51]

Interviewer: The responses provided by the AI chatbot were accurate.

[01:55]

Participant X: Neutral.

[01:56]

Interviewer: I felt confident relying on the AI chatbot during the task.

[01:59]

Participant X: Neutral.

[02:00]

Interviewer: The AI chatbot behaved in a fair and unbiased manner.

[02:03]

Participant X: Agree.

[02:05]

Interviewer: I would consider using this AI chatbot for academic purposes in the future.

[02:10]

Participant X: Neutral.

[02:11]

Interviewer: The AI chatbot met my expectations as an academic assistance tool.

[02:15]

Participant X: Strongly Agree.

[02:18]

Interviewer: For the next couple of questions I want you to let me know which ones you feel you agree with. If there are any other things you would like to say that aren't within the options given, feel free to say them as well. The options given are just there to help you with ideas. What factors influenced your trust in the AI chatbot?

[02:40]

Interviewer: Is it the accuracy of responses, clarity of explanations, speed of responses, transparency, ethical or bias concerns or anything other

[02:44]

Participant X: Clarity of explanations, speed of responses, and transparency explanations provided

[02:49]

Interviewer: what aspects of the AI chatbot did you find most useful? Explaining academic concepts, answering questions quickly, generating ideas, structuring academic responses or did you

[03:03]

not find it useful?

Participant X: Explaining academic concepts, answering questions quickly and generating ideas?

[03:10]

Interviewer: Perfect. What factors reduced your trust in the AI chatbot, if any? Is it incorrect or misleading answers? Lack of sources, references, overconfident responses, ethical or bias concerns or nothing that reduced your trust?

[03:23]

Participant X: Lack of sources or references, overconfident responses

[03:28]

Interviewer: Perfect. How did interacting with the AI chatbot affect your confidence and using AI for academic work? Did it increase your confidence, reduce your confidence, or did it have no change?

[03:38]

Participant X: No change.

[03:40]

Interviewer: How could the AI chatbot be improved for better to better support users? Is it improved accuracy, clear explanations, source citations, greater transparency or ethical safeguards or anything else?

[03:51]

Participant X: Source citations and greater transparency

[03:56]

Interviewer: do you have any additional comments you'd like to add?

[03:58]

Participant X: No. Thank you.

[03:59]

Interviewer: Thank you for taking part in the study.
