[00:02]

Interviewer: Before we begin this interview, please read the following documents before deciding whether to take part in the study. Take as much time as you need and once you're ready, I would like to ask you to verbally confirm that you have read the following documents and consent to participate in this interview. I consent. Perfect. Thank you for consenting.

[00:23]

Interviewer: Please click the link below to access the task list and Interact with AI Chatbot. You may interact with the AI Chatbot for as long as you feel necessary. Once you have finished, return to let me know and we'll continue. You will complete a small number of short tasks using an AI system. For each task, you will have a short conversation with the AI and you should interact naturally with the AI as normally as you would.

[00:44]

Interviewer: You will complete this alone without the help of me, and once you're done, I will ask you a couple of questions about your interaction. There are no correct or incorrect answers. You are not being tested for each task. End the conversation by clearly stating your final decision or opinion. For example, I trust this advice or I don't trust this advice.

[01:06]

Interviewer: Please click on the links on the iPad given to access the task list and the AI system. You can copy, paste the given prompt statements and carry on with each task. If you have any questions, feel free to let me know. And once you have completed all five tasks, let me know.
Participant X: Okay, I just finished the task.

[01:27]

Interviewer: Perfect. So I'm going to ask you questions, and I'd like you to answer whether you strongly disagree, disagree, neutral, agree or strongly agree with the statement you were told. Okay, I found the AI chatbot easy to interact with.
