[00:01]

Interviewer: Before we begin this interview, please read the following documents before deciding whether to take part in the study. Take as much time as you need. Once you're ready, I would like to ask you to verbally confirm that you have read the following documents and consent to participate in this interview.

[00:16]

Participant X: I consent.

[00:20]

Interviewer: Thank you for consenting. Please click the link below to access the task list and interact with the AI chatbot. You may interact with the chatbot for as long as you feel necessary. Once you have finished, let me know. You will complete a small number of short tasks using an AI system.

[00:45]

Interviewer: For each task, you will have a short conversation with the AI. Interact naturally with the AI as you normally would. You will complete this alone without the help of me and once you're done, I would like to ask you a couple of questions about your interaction. There are no correct or incorrect answers. You're not being tested and for each task, end the conversation by clearly stating your final decision or opinion.

[01:11]

Interviewer: Or for example I trust this advice or I don't trust this information. Please click the links on the iPad given to access the task list and the AI system and you can copy paste the given prompt statements and carry on with each task. If you have any questions, feel free to let me know and once you have completed all five tasks, let me know.

Participant X; Im done

Interviewer: Thank you for interacting with the chatbot and I'll begin this interview. Now I'm gonna give you some statements and you let me know whether you strongly disagree, Disagree, Neutral Agree or Strongly Agree.

[01:36]

Interviewer: I found the AI chatbot easy to interact with.

[01:42]

Participant X: Strongly Agree.

[01:44]

Interviewer: I trust the information provided by the AI chatbot.

[01:46]

Participant X: Agree.

[01:48]

Interviewer: The responses provided by the AI chatbot were accurate. Agree I felt confident relying on the AI chatbot during the task. Agree The AI chatbot behaved in a fair and unbiased manner. Neutral I would consider using this AI chatbot for academic purposes in the future.

[02:07]

Participant X: Neutral

[02:09]

Interviewer: the AI chatbot met my expectation as an academic assistance tool.

Participant X: Neutral

Interviewer: For the next couple of questions I want you to let me know which ones you feel you agree with if there are any other things you would like to say that aren't within the options given feel free to say them as well the options given are just to help you with ideas. What factors influenced your level of trust in the AI chatbot? Was it the accuracy of responses? Clarity of explanation? or anything else.

Participant X: Clarity of explanations.

Interviewer: Perfect.

Interviewer: What aspects of the AI chatbot did you find most useful?

[02:44]

Interviewer: Explaining academic concepts, answering questions quickly Generating ideas Structuring academic responses or did you not find it useful at all? You can let me know all that apply or anything else

[02:58]
